Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.

{ } The school shall promote nutrition through the implementation of Farm to School activities where possible. Activities may include, but not be limited to, the initiation/maintenance of school gardens, taste-testing of local products in the cafeteria and classroom, classroom education about local agriculture and nutrition, field trips to local farms and incorporation of local foods into school meal programs.

{ } Staff shall cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.

{ } Food service personnel shall review and implement research-based, behavioral economics techniques in the cafeteria to encourage consumption of more whole grains, fruits, vegetables and legumes, and to decrease plate waste.

{ } Consistent nutrition messages shall be disseminated and displayed throughout the school, classrooms, cafeterias, homes, community and media.

{ } Consistent nutrition messages shall be demonstrated by avoiding use of unhealthy food items in classroom lesson plans and school staff avoiding eating less healthy food items in front of students.

{ } School shall offer resources about health and nutrition to encourage parents/guardians to provide healthy meals for their children.

Physical Activity

{ } CAILA shall strive to provide opportunities for developmentally appropriate physical activity during the school day for all students.

{ } CAILA shall contribute to the effort to provide students opportunities to accumulate at least sixty (60) minutes of age-appropriate physical activity daily, as recommended by the Centers for Disease Control and Prevention. Opportunities offered at school will augment physical activity outside the school environment, such as outdoor play at home, sports, etc.

{ } Students shall participate daily in a variety of age-appropriate physical activities designed to achieve optimal health, wellness, fitness and performance benefits.

{ } Age-appropriate physical activity opportunities, such as outdoor and indoor recess, before and after school programs, during lunch, clubs, shall be provided to meet the needs and interests of all students, in addition to planned physical education.

{ } A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.

{ } Extended periods of student inactivity, two (2) hours or more, shall be discouraged.

{ } Physical activity breaks shall be provided for students during classroom hours.

{ } Before and/or after-school programs shall provide developmentally appropriate physical activity for participating children.

{ } CAILA shall partner with parents/guardians and community members and organizations, such as Push-The-Rock, YMCAs, Boys & Girls Clubs, local and state parks, hospitals, etc., to institute programs that support lifelong physical activity.

{ } Physical activity shall not be used or withheld as a form of punishment.

{ } CAILA shall promote physical activity through encouragement of walking and biking as a means of transportation to and from school.

{ } Students and their families shall be encouraged to utilize school-owned physical activity facilities, such as playgrounds and fields, outside school hours.

<p>SC 1512.1 Pol. 102, 105</p>	<p><u>Physical Education</u></p> <p>A sequential physical education program consistent with curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented. All students must participate in physical education.</p> <p>{ } Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.</p> <p>{ } Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.</p> <p>{ } A comprehensive physical education course of study that focuses on providing students the skills, knowledge and confidence to participate in lifelong, health-enhancing physical activity shall be implemented.</p> <p>{ } A varied and comprehensive curriculum that promotes both team and individual activities and leads to students becoming and remaining physically active for a lifetime shall be provided in the physical education program.</p> <p>{ } Adequate amounts of planned instruction shall be provided in order for students to achieve the proficient level for the Health, Safety and Physical Education academic standards.</p> <p>{ } An assessment system shall be implemented to track student progress on the Health, Safety and Physical Education academic standards.</p> <p>{ } Students shall be moderately to vigorously active as much time as possible during a physical education class.
